Maths Workshops:

Thank you to everyone who has attended the maths workshops so far. Feedback has been very positive with everyone commenting how beneficial it is to see how strategies are taught and what the expectations are for each year group. These will continue in the following year groups after the holidays.

Tuesday 6th June- Year 2 Thursday 8th June - Year 4
Tuesday 13th June - Reception

Nursery Closure: General Election

Reminder that Nursery will be closed to children on Thursday 8 June 2017. Nursery will re-open for children on Friday 9 June 2017.

In order to ensure safety for our children, if your child is in one of our **Reception** classes (Miss Bolger, Miss Belt/Mrs Fyffe and Miss Marras) please can you drop off/pick up your child from the hall entrance. The gates to our reception classes will be locked at all times during the day so members of the public vote via the nursery entrance alone.

Year 2 SATs:

Year 2 children have worked exceptionally hard this work and we are all very proud of their positive attitudes and determination. Thank you for ensuring they got to school on time. The relaxed start to the day, with breakfast, really helped us all have a calm start to the morning.

Welcome to a New Member of Staff:

We would like you to welcome our new member of staff, Claire Malinson, who is our specialist PE teacher. Claire will be starting with us on Monday 5 June and working with all year groups.

Hot Weather Alert:

Please could we remind parents/carers to provide a sun hat and sun cream for your child during this lovely weather. It would be appreciated if you could show your child how to apply the sun cream please.

Attendance:

As every half term, attendance letters will be sent out to all parents whose children have below 97% as this is the attendance expectation from the government. We are aware that some children have been ill or have on going medical issues. However in light of how accountable we are for attendance and the need to monitor the amount of learning time lost, for whatever reason, we are obliged to share your child's current attendance percentage at key points in the year. If we can help at all with any late or attendance issues please let us know.

And finally ...

The next half term is going to be very busy with transition events, trips out and many other organised events such as the Great Get Together and the Save the Children 'Den Day'. So lots to look forward to.

We hope you all have a very enjoyable holiday and look forward to seeing you back on the 5th June for the final term of this school year!
